NOTE FOR: Director of Central Intelligence

STATINTL ! Re [REDACTED] IG appeal on shipment of
foreign vehicle.

Sir:

At your request, we have attempted through the DDO and the Office of Communications to identify the number of employees who have shipped or would have shipped foreign vehicles if it were reimbursed.

STATINTL Using a lot of Kentucky windage, we estimate
STATINTL that [REDACTED] employees who owned foreign vehicles sold them
when they learned they would not be reimbursed for the shipment. Another [REDACTED] we estimate, shipped their foreign vehicles and paid for it themselves.

Because of the imprecision of our numbers, we are not sure how helpful the above will be to you. The only way to get more accurate figures would be to issue an Agency-wide notice.

STATINTL !

[REDACTED]

Acting DDA
